

Temple Aliyah
Department of Early Childhood Education
(818) 346-1552

Dear Parents,

Welcome to our "Parent and Me" classes. Our "Parent and Me" Program is the place to learn, play and make new friends. The friendships you make start here and will last a lifetime! Our school has been selected to participate in The First 36 Project, an exclusive professional development program. We will be learning, applying, and integrating cutting edge early childhood neuroscience research with the most distinguished researchers in the field. Our participation will enhance our program, our synagogue, and our community! Join our warm and caring community at Temple Aliyah for a fun and enjoyable morning with your child.

Our "Parent and Me" classes offer different classes; start dates, times and end dates. Please choose the classes' age range appropriate for your child. If you need assistance deciding the appropriate class for your child, please contact me in the ECE office.

Below is our Registration Policy - Please read carefully

...**All classes** are assigned on a **first come, first served basis!!**

...Previous enrollment **does not guarantee** a place in class.

...Class size will be limited!

...**Payment is due with this application and before the first class.**

...If a parent cannot make the class, we welcome grandparents, uncles, aunts (any family member)...no nannies or housekeepers please.

...Please do not bring siblings that are not enrolled in the class.

...We allow **one make-up class per session.**

Please let us know you are making-up a class prior to the scheduled class time.

...Please do not bring your child to class sick. It is unfair to the other families, and your teachers. You will be asked to leave the class.

Be sure to mark your calendars with your start date, the times of the class, and days off!

We love being able to get to know you and your child. We are thrilled you are signing up for our program.

Thank you,

Edita Leifer
Parent and Me Coordinator
